Hi Callista,

Thanks for sending over the OS Chapter for Haven Green, we have reviewed it and have the below edits and questions.

- In terms of correcting acreages for the OS Resources, if you could update the following:
 - o Allen Malls – 1.7 total acres
 - o Liz Christy Garden - .27 total acres
 - o First Street Garden - .06 total acres
 - o Miracle Garden - .12 total acres
 - o Hope Garden - .05 total acres
 - o Children's Magical Garden - .07 total acres
- Elizabeth Street Garden should be considered quantitatively, as a publically accessible open space today. It is open 7 days a week for at least 5 hours a day, which makes it accessible to the public on a constant and regular basis as per CEQR Tech Manual Guidelines.
- How will the commitment to maintain the future open space be memorialized?
- Can the proposed open space could be further explained – what is the programming? Who will be in charge of maintenance? Will the hours remain the same? Is the entirety of the .16 acres public space, or is some portion reserved for outdoor café seating?

If you have any questions feel free to give us a call! Thanks.

Best,
Emily
